

about the future of ADR in Wyoming. A short overview of the event can be found [**here.**](#)

View the 2011 Agenda [** here **](#)

The second part of the celebration was a coordinated effort to promote mediation, facilitation and other ADR processes in towns and communities across Wyoming. Volunteers gave presentations and radio interviews, prepared press releases and distributed outreach material to their local communities. We provided media packets and samples of presentations, news releases, etc., for the volunteers' use. If you are interested in volunteering in the future, contact Lucy at lucy.pauley@wyo.gov.
