Testing Locations

The link below will show you the current testing sites available.

[Testing Locations](#)

You will need to contact one of these sites in order to schedule a time to take the exam.

General Testing Information:

- All exams are online. If you require the test in an alternate format you must inform the testing location when scheduling the examination.
- All RST exams are open book and open note so bring copies of all relevant materials with you as they can be used when answering the questions. There is no time limit on the exam.

Materials needed for testing:

You need a basic understanding of how to use a computer.
You will need to bring a pen, scratch paper, and a calculator with you to the exam.
